Description

In one of the most prestigious skyscrapers of Tel Aviv there is an ultra-luxurious 1000 sq. m three levels penthouse, so meticulously planned and decorated that you couldn't wish a better home for yourself to enjoy this life. Perfect location, only few minutes from a city center of Tel Aviv and you are in your own private sanctuary with amazingly high seven meters from floor to ceiling windows which provide you with panoramic, 360 degrees, beautiful views of the city you love, contemplation of which will arise a quite serenity inside of you and will bring a peace to your mind. You will enjoy a unique combination of social, educational, cultural and commercial services and amenities while living in a luxury complex with upbeat urban feel. Noche Travertine stone floors, a brass staircase, coconut shelled wall, bamboo parquetry and natural sunlight all come together in this unique triplex which is planned for a couple or a family wishing to come home at the end of working day to an apartment both warm, homey and still incredibly pampering and luxurious. On the first level you may find a spacious salon, a dining room, a Bulthaup kitchen and pantry, a huge terrace, as well as a state-of-the-art home theater, large enough to invite additional guests and cozy enough to arrange an intimate romantic evening for your beloved ones. Three bedroom suites with luxurious bathrooms and one master bedroom suite which contains a private study stretch on 280 square meters of the second level. The third level is an ultimate area to indulge. A 40 sq. m. cascading heated pool, a separate Jacuzzi, sun beds, electric shades which will protect you on a sunny day, along with a gym and outdoor kitchen for making barbeque turn the upper floor to be a perfect place for entertaining. On special occasions a floor can be raised to create one large level deck. Being 31 floors above the ground you'll still feel a strong connection with nature thanks to natural elements such as a green wall of hanging plants and bamboo decking. This unpretentiously incredible triplex is fully equipped with the up-to-date appliances including: an in-built elevator, electric under floor heating, SMART control over lighting system, electric curtains and shades. And of course in order to provide you with additional [...]
